What did you like about the training?

- I appreciated how the training opened up meaningful conversations around generational differences in the workplace. It was engaging, insightful, and provided practical frameworks for improving team collaboration and communication.

How well this training sessions help you achieve your career goals in the future?

- It helped me understand how to work more effectively with my Team from different age groups. This insight is crucial for leadership, conflict resolution, and fostering a healthy work environment???skills that are essential as I grow professionally.

What are the changes you can practice as a result of this training?

- I can start applying empathy-based communication, adapting my approach depending on the generation I???m interacting with. I also plan to initiate more inclusive team discussions and be more mindful of generational expectations in the workplace.

What exercises were most effective in helping you understand the subject of this training program? Why?

- The group discussions and scenario-based activities were the most effective. They allowed us to see real-life perspectives from different generations, helping us break down stereotypes and build empathy in a very practical way.

What aspect of the training could be improved?

- A follow-up workshop or toolkit for managers would also help reinforce the learning.
