### What did you like about the training?

- The training was well-structured and practical.

### How well this training sessions help you achieve your career goals in the future?

- This training directly supports my role as a service engineer. It enhances my capability to diagnose faults accurately, reduce downtime, and perform effective preventive and corrective maintenance

### What are the changes you can practice as a result of this training?

- I can apply a more systematic troubleshooting approach, including better use of fault codes and diagnostic steps.

### What exercises were most effective in helping you understand the subject of this training program? Why?

- The fault simulation and troubleshooting exercises were the most effective.

### What aspect of the training could be improved?

# Patient Care Corporation
