What did you like about the training?

- The bond that was formed among the group.

How well this training sessions help you achieve your career goals in the future?

- The training was highly relevant to my career goals as it enhanced both my technical knowledge and professional skills. It provided a clearer understanding of the company's direction and expectations, which will help me align my performance and contribute more effectively in my role.

What are the changes you can practice as a result of this training?

- As a result of this training, I can improve my communication and collaboration with colleagues, apply a more structured approach to my work, and align my daily activities with the company's standards and goals. I will also be more proactive in applying what I learned to improve efficiency and service quality.

What exercises were most effective in helping you understand the subject of this training program? Why?

- The group discussions and interactive activities were the most effective because they allowed me to actively engage with the concepts and learn from others' perspectives. These exercises made the training more practical and helped reinforce the key lessons.

What aspect of the training could be improved?

- The training was overall well-organized, but it could be further improved by including more real-life scenarios or case-based applications to deepen understanding. Additional time for open discussion or Q&A would also be beneficial.
