What did you like about the training?
- The trainers were knowledgeable, approachable, and shared valuable field insights and best practices from their own experience.

How well this training sessions help you achieve your career goals in the future?
- this training doesn’t just help me do my job better; it gives me the tools and mindset to keep growing, leading, and achieving bigger goals ahead."

What are the changes you can practice as a result of this training?
- I’ll keep updating my knowledge daily, and as I grow toward leadership, I’ll also share best practices with colleagues”helping lift the whole team’s performance.

What exercises were most effective in helping you understand the subject of this training program? Why?
- Role-playing customer & hospital account scenarios “ These were extremely effective because they simulated real conversations with decision-makers, procurement, and clinical staff. I got to practice addressing concerns, matching solutions to specific hospital needs, and handling objections in a safe space”so I feel far more prepared to do this in the field.

What aspect of the training could be improved?
- "Overall the training was excellent and very valuable
