topics covered are relevant	✓			
training will be useful in my work	✓			
TRAINING				
objectives of the training was met	✓			
time allotted for the training was sufficient	✓			
venue provided a comfortable setting for learning	✓			

What did you like about the training?

- I liked how the training provided practical insights on leadership, self-awareness, communication, and managing people. The discussions encouraged me to reflect on my own leadership style and how I can become more intentional in influencing, developing, and empowering my team.

How well this training sessions help you achieve your career goals in the future?

- The training is highly relevant to my career goals because I aspire to take on greater leadership responsibilities in the future. It helped me understand the competencies I need to strengthen, particularly in strategic thinking, people development, decision-making, communication, and leading teams toward a common goal.

What are the changes you can practice as a result of this training?

- I can practice being more intentional in my communication, listening more actively, and adapting my leadership approach according to the needs and maturity of each team member. I will also focus on empowering my team rather than simply directing them, while providing clearer expectations, accountability, coaching, and constructive feedback.

What exercises were most effective in helping you understand the subject of this training program? Why?

- The self-reflection exercises, discussions, and practical leadership scenarios were most effective because they allowed me to connect the concepts to actual workplace situations. They helped me recognize my own leadership strengths and areas for improvement and made the lessons more applicable to managing and developing my team.

What aspect of the training could be improved?

Patient Care Corporation

TRAINING EVALUATION FORM

...comprehensive and engaging. To make
suggest having more case studies, role-playing activities,
that participants can work through as leaders. Additional c
feedback would also help reinforce the concepts and trans
leadership practices.
